Dear Sir:

Due to an inadvertent error on the Application Data Sheet which accompanied the above-identified application, the application is currently associated with the customer number of 25736 (which belongs to Fish & Richardson).

The error was a typographical, i.e., the customer number was given as "25736" rather than -- 25763 -- as it should have been. The error was inadvertent and without deceptive intent.

Enclosed please find a corrected Application Data Sheet and a copy of the originally filed Power of Attorney which correctly shows customer number 25763.

Therefore, please change the customer number for the application to 25763, and send all correspondence for the above-identified patent application to:

Customer No. 25763

at the address corresponding thereto, currently:
